FINEGREEN NOMINATED FOR RECRUITER OF THE YEAR AT THE LAINGBUISSON AWARDS 2017

Following a wonderful night last Thursday when Finegreen proudly took home three Recruitment awards at the Recruitment Business Awards held in Manchester, we are delighted to have been shortlisted in the Recruiter of the Year category at the LaingBuisson Awards 2017, with the ceremony taking place on the 15th November at the Park Plaza Westminster Bridge.

Now In their 12th year, The LaingBuisson Awards recognise and celebrate

industry excellence and innovative services in the public, private and third sectors.

Finegreen Managing Director Neil Fineberg said: *“It is excellent news to be shortlisted for these prestigious awards for the first time, particularly following such a tremendous night week at the RBAs! Unsurprisingly, there is some very strong competition so it is testament to the hard work of all the staff that we have been recognised to deserve a place in the finals.*

I very much look forward to attending the awards ceremony with the team in November, which will cap off another excellent year that has seen a number of new faces join the Finegreen consultancy team alongside our continued progression of our Board Development programme.”

Further information and to view the full list of finalists can be found [here](#)

Finegreen Associates is a young, dynamic specialist recruitment consultancy – focusing on permanent, interim and fixed-term contract management and executive roles in both public and private sectors.

We’ve won a fair number of awards since starting in 2005 – and have been listed in the *Sunday Times* Fast Track Top 100 businesses – but what really keeps us going at Finegreen is the positive detailed feedback we get from our customers and candidates on a regular basis.

It is this attention to the detailed needs of the people we work for which has underpinned Finegreen’s growth and success over the past eight years – a success story which has bucked the challenging economic trends over that period.

Part of this attention to detail includes offering teams of specialist consultants, each expert in areas reflecting our clients’ and candidates’ fields of interest – whether this is budgets or buildings.

It’s a way of working which has seen us collect awards such as Best Small to Medium Business in both the 2013 & 2014 Best Business Awards, as well as Recruiter of the Year in both the 2013 and 2014 Health Investor Awards – while our Chief Executive Neil Fineberg has also been nominated for

Entrepreneur of the Year.
