Seasons Greetings from The Finegreen Group

From all of us here at Finegreen, we would like to wish you a peaceful, happy and healthy festive season.

2020 has been a very challenging year for us all, and as Chief Executive of Finegreen, I take great pride in supporting the exceptional individuals who contribute to delivering our country's healthcare services, never moreso than during such an unprecedented time of uncertainty.

It has been immensely humbling and inspiring to see what both has been and

continues to be achieved and delivered on a daily basis.

Throughout the year, we have continued to support our charity of choice, the Cavell Nurses' Trust and their outstanding 'Working With' Initiative. They are a wonderful charity that continues to raise much needed funds and provide support for nurses, midwives and healthcare assistants across the country and we are proud to be associated with them.

As 2020 comes to a close, I hope you will join with us in looking ahead to a safe, happy and most importantly, healthy and prosperous 2021.

Warmest regards,
Neil Fineberg
Chief Executive, The Finegreen Group

Finegreen Associates is a young, dynamic specialist recruitment consultancy – focusing on permanent, interim and fixed-term contract management and executive roles in both public and private sectors.

We've won a fair number of awards since starting in 2005 – and have been listed in the *Sunday Times* Fast Track Top 100 businesses – but what really keeps us going at Finegreen is the positive detailed feedback we get from our customers and candidates on a regular basis.

It is this attention to the detailed needs of the people we work for which has underpinned Finegreen's growth and success over the past eight years – a success story which has bucked the challenging economic trends over that period.

Part of this attention to detail includes offering teams of specialist consultants, each expert in areas reflecting our clients' and candidates' fields of interest – whether this is budgets or buildings.

It's a way of working which has seen us collect awards such as Best Small to Medium Business in both the 2013 & 2014 Best Business Awards, as well as Recruiter of the Year in both the 2013 and 2014 Health Investor Awards – while our Chief Executive Neil Fineberg has also been nominated for Entrepreneur of the Year.
